Dear Mr. Manconi;

I am the local MLA for Brandon West and I have been approached by the Brandon Islamic Centre Inc. to forward to a letter of support of their application for charitable status.

The Islamic Centre has been providing religious services to the Muslim community in this region. The Brandon Islamic Centre Inc. has been hosting interfaith dialogues and open houses to assist settlement of refugees in the area.

I support their application and am confident that granting them charitable status will benefit their community. Your consideration and approval of this request is greatly appreciated.

Sincerely,

Reg Helwer, MLA
Brandon West
