Letter of support for Brandon Islamic Centre,

I am writing in support of the Brandon Islamic Centre (BIC). As the only Islamic centre in Brandon, BIC provides an invaluable resource for newcomers and community members alike. The Centre offers a safe and welcoming space for prayer, connection, and community building.

In my role as President of the Brandon University World University Service of Canada (WUSC) Local Committee, I fully support the Brandon Islamic Centre and its application for this grant. Each year, BU WUSC sponsors newcomer refugees, many of whom are Muslim students who greatly benefit from the services and support provided by BIC. The Centre offers these students a place to practice their faith, feel safe and supported, and connect with others in their community.

Currently, 12 WUSC-sponsored students regularly benefit from attending the Brandon Islamic Centre. Its presence has a meaningful and positive impact on their settlement experience and overall well-being.

Please feel free to contact me should you require any additional information or clarification.

Sincerely,

A handwritten signature in blue ink that reads "Angie Currie".
